

Job Title: HAZMAT Field Technician
Department: Operations

Reports To: Scheduling Department / Site Supervisor(s)

Young's Environmental is seeking a highly-motivated HAZMAT Field Technician (environmental laborer). The successful candidates will be hard-working, dedicated individuals that are able to complete various environmental and industrial projects to meet the needs of Young's diverse client base in a safe, effective, and timely manner. Employee will report to Young's facility as scheduled and/or as needed for emergency response projects.

Why work for Young's?

- Health and Safety is our #1 priority 24/7/365
- Competitive wages based on experience and certifications, including a specialized rate for ALL after-hours Emergency Response work and paid on-call. Ample opportunity for over-time.
- \$500 Sign-On Bonus (plus referral bonuses if you bring your friends or family to join you!)
- WEEKLY payroll via direct deposit
- Comprehensive medical, dental, vision, and life benefits for you and qualified dependents
- 401k retirement program with company match
- Company paid training and medical testing
- Company paid uniform program
- Company provided cellphone and/or iPad
- Paid holidays, vacation, flex-time
- Company provided PPE per COVID-19 mandates
- Clean, safe, reliable equipment and vehicles
- Employee recognition programs such as bonus incentives and trips for the employee + family
- Opportunities for growth and development for all stages of your career!

Qualifications:

To perform this job successfully, an individual must be able to perform each essential duty satisfactorily. The requirements listed are a representative of the knowledge, skills, and/or abilities required.

Duties and Responsibilities:

- Ensuring that Health and Safety is the number one priority by complying with all safe work practices, procedures, policies, and processes and acting in a safe manner at all times
- Providing safe, effective, and professional service to our clients
- Completing tasks associated with environmental, industrial, energy, and waste services including Emergency Response work in atmospheres and locations with the potential for exposure to various chemical and physical agents, some of which may be hazardous, toxic or corrosive
- Ability to perform work in confined (enclosed) spaces
- Work in atmospheres with low clearances and heights
- Ability to perform work using high pressure water blasting and/or pressure washing equipment
- Load hoses and other equipment required for assigned job onto truck
- Shoveling, power washing, cleaning, sweeping, etc.
- Decontamination of various structures, machinery, buildings, etc.
- Clean up work area and return equipment to designated locations after work is completed
- Quick and immediate response when scheduled on-call
- Operate light and heavy equipment including: skid steers, forklifts, oil spill booms and vacuum equipment
- Completing all required paperwork on a daily basis, including daily reports, time sheets, and other administrative forms

What does it take to be a member of the Young's Team?

- Valid Driver's License required. Chauffeurs or CDL license is a plus.
- Previous environmental, confined space, or industrial cleaning experience is preferred but not required
- Ability to understand basic operating instructions, safe work practices, scopes of work, and commercial/industrial processes
- Must be able to pass pre-employment and random drug/alcohol tests per applicable federal regulations
- 40-HR HAZWOPER, OSHA, or Confined Space Entrant/Rescue training is a plus but not required
- Ability to handle a physical workload
- Strong work ethic
- Because of the emergency response and operational nature of the position, it will require some on-call availability and travel.

Young's Environmental (Young's) is a full-service environmental company specializing in 24-hour emergency response, natural gas and pipeline energy services, environmental remediation, waste hauling, vacuum tanker services, underground infrastructure repair and maintenance, and industrial cleaning. Young's provides the highest quality service to a large client base throughout the United States from our offices located in Flint & Grand Rapids, Michigan. Young's is able to accomplish these tasks with our dedicated and experienced staff of over 80 employees, that utilize over 1,250 pieces of specialty equipment. Since 1989, Young's has earned the reputation of an industry leader based upon outstanding service, safety, cost-effectiveness, dependability, and the capability to provide turn-key operations on a very short and sometimes emergency basis.
